

Project Design Phase-II
Data Flow Diagrams

Team ID	PNT2022TMID31307
Project Name	Personal Assistance for seniorcitizens who are self-reliant
Maximum Marks	4 Marks

Data Flow Diagram steps:

1. The user should register on the App by using their mail ID, password and get verified.
2. User can set medicine name and time using our app.
3. The data given as input by the user on mobile application is stored in IBM Cloud database.
4. The IOT device is made to remind the medicine name at correct time by voice commands through IBM Watson platform.
5. The notification is sent to the user to notify the intake of medicine via SMS, which is initiated by mobile application.
